

# Share the Ride NC

## What is it?

Share the Ride NC, a service provided by the North Carolina Department of Transportation, is a data base that allows commuters to quickly and securely find other individuals who share similar commutes, work hours, and are interested in carpooling.

## How Do I join?

It's easy! You can register in 5 simple steps in less than 5 minutes!

- 1) Go to **www.sharetheridenc.org** and register your commute information
- 2) Next, click on run carpool match
- 3) E-mail or call the commuters you were matched with to figure out when, where and how to rideshare
- 4) Start sharing rides as much as you can, ANYWHERE you can
- 5) Register your carpool with Clean Air Community Trust by going to **www.airtrust.org/ride**. This will make you eligible for benefits like the emergency ride home program.

## Why should I join?

- \*Saves Time & Energy
- \*Reduces Stress
- \*Saves money spent on gas
- \*Gives you an opportunity to meet your neighbor
- \*Reduces air pollution & gives a better view of the mountains

## What if I need a Ride Home?

After you register your carpool with Clean Air Community Trust you will be eligible for the Emergency Ride Home Program.

This is a service that will either provide you with a ride if you need to leave work early or will advise you to call a taxi and reimburse you for your cab fair at a later date.

But you **MUST** register your carpool at [www.airtrust.org/ride](http://www.airtrust.org/ride) to qualify for the program.
